One Step Closer!

Our residents have been moved across the hall from Mesquite to Bluebonnet which leaves the Mesquite Suite empty! This is a huge first step, as Mesquite is where the beginning of this exciting project begins. This means that we are one step closer to the West Center Transition – “*Institution to Home*”.

The Department of Aging and Disability Services has responded to our plans and we are combing through the many pages of comments and recommendations with our project partners.

As the details wind down and we prepare to put our hard hats on, we look forward to working with each of you to make this an exciting time at the West Center.

So, as I’ve mentioned before, like true love or a fine wine, where this project will take time, it will be well worth the wait.

We encourage you to drop your questions in our Hard Hat Update Box across from the chapel, so that we share what you want to know in the upcoming issues.

Best Wishes,

Susan Farris, Executive Director
