

Issue #19, December 5, 2014

Friends and Families,

It's been an event filled week at the West Center! Our Reconstruction Celebration, complete with a "counterbreaking ceremony", was held on Wednesday, December 3, where community leaders and families of residents attended. Mayor Betsy Price, Campaign Chairman, J.T. Aughinbaugh and I had the honor of breaking the old Mesquite Suite nursing station countertop as photos of the new suite design dropped in the background.

The celebration continued with our "Meet the Contractors" luncheon, where families and team members were invited to meet and ask questions of the contractors who will be responsible for the reconstruction. Questions about noise levels, safety measures and hours of construction were all addressed. We are looking forward to working with a team of professionals who understand our clientele and our vision.

As always, if you have questions or comments in regards to the upcoming reconstruction, or if you were unable to make the "Meet the Contractors" luncheon and have questions for them, please utilize the Hard Hat Update Box, located across from the chapel or email your questions to sclayton@jameslwest.org.

Thanks to each of you for your support of the Center and your continued excitement as we move forward.

Best Wishes,

Susan Farris, Executive Director
