## Happy New Year!

It's just about time to ring in the new year, and the West Center is planning on ringing it in with a bang...literally! The final construction documents have been reviewed and are ready to be signed, contractors are preparing to set up their equipment and the long awaited project will begin on Monday, January 5, 2015.

We are very excited about the upcoming year and hope that you, too, are looking forward to watching our dreams of the new West Center come to life!

As always, if you have questions or comments in regards to the upcoming reconstruction, please utilize the Hard Hat Update Box, located across from the chapel or email your questions to [sclayton@jameslwest.org](mailto:sclayton@jameslwest.org).

Thanks to each of you for your support of the Center and your continued excitement as we move forward.

*Best Wishes,*

*Susan Farris, Executive Director*
